Jubilee products sell like hot cakes

By TYRONE MARSHALL

Red, white and blue products have been flying off the shelves across East Lancashire as the Queen's Diamond Jubilee approaches.

Old favourites, such as Union Jack flags, bunting, brooches, and tiaras, have been as popular as ever.

However, anything and everything seems to be available in red, white and blue – from wigs, tutus, and feather boas, to egg cups, pillows and nodding bulldogs.

Gill Bates, assistant manager at the Marie Curie shop, in St James' Street, Burnley, said people had been inspired to join in the celebrations after the Queen's recent visit.

She said: "We have got a few flags up in the window and a little bit of red, white and blue tinsel too.

"We have seen more people coming into the shop and asking for things in those colours, and they also ask for the clothes we have in the window display. It is nice that when there is a big national event, people think about the charity."

Meanwhile, a Burnley woman with fond memories of the Queen's Coronation will be helping others celebrate the Diamond Jubilee this weekend.

Kath Bill has helped to organise two parties at St Peter's Church on Saturday, for the Mothers' Union, and then on Sunday for people who have nobody else to celebrate with.

Kath, who was 13 on the day of the Coronation in 1953, said: "I remember there were 36 of us in a room watching the Coronation, 30 adults and six children.

"I was fascinated by it at the time, and I guess I have been a Royalist ever since. I have a scrapbook from the Coronation, and I also have the book that my mum and dad gave to me, which means a lot to me."

Help survey birds in your garden

Budding wildlife experts are being encouraged to make nature count as part of an RSPB survey.

The project is running from June 2 to 10 and is asking people to make a note of the number of species they see passing through their gardens and local parks.

To take part, volunteers are being asked to spend one hour during the survey week. For information, visit rspb.org.uk/naturecount, where an online survey form will be available from June 2.

Slow down!

The Carr Hall area of Barrowford has become the latest in Pendle to have 20mph speed restrictions introduced. The roads are the latest in a staged introduction of lower speed limits by the county council.

Chantel at festival

Blues songstress **Chantel McGregor** is set to headline a mini-music festival in Burnley's Scott Park later this year. Chantel, a Burnley and Colne blues festivals favourite, will be in town entertaining on Saturday, July 7.

Appeal to help brave little Louie

By KATE JACKSON

The family of a baby who had his legs amputated after being struck down with meningitis have set up an appeal to help buy specialist equipment.

Ten-month-old Louie Jenkins, of Colne, also lost the fingers on his left hand, and the tips of the fingers on his right hand after contracting the disease.

His family has now set up the Little LAMB (Louie's Amazing Meningitis Battle) Appeal to buy the equipment he will need.

His mum Julie Jenkins, 29, said: "Over the next few years we will need a lot of specialist equipment to help Louie to try and have a normal life.

"We are unsure what he will need, and how much we will need to raise.

"We also want to put money aside so he can have prosthetic legs with joints in when he is older. These cost around £7,000 just for one leg."

So far £700 has been raised through activities, including a charity walk.

Julie said: "We have raised £5,750 for the Meningitis Trust, The Sick Children's Trust and Ward 48 at the Leeds hospital through 'Louie's big chocolate tea party'.

"Louie will soon be at the stage where he will be starting to pull himself up on furniture and put weight on his legs. Doctors have said that when he does, we will need to contact them about him using prosthetic legs."

He is currently having casts made for his first pair of prosthetic legs.

Events planned for the Little LAMB appeal include a clothes swap fundraiser on June 2, from 7pm until 11.30pm, at Colne Ambulance Hall. Entrance is £5 on the door. Money raised will also go to Lottie Loo's Well Wish, for seven-year-old Charlotte Neve, from Trawden, who suffered a brain haemorrhage in April.

To make a donation, email Julie.jenkins1982@yahoo.co.uk

X-ellent start to search for a star

Live auditions are under way for Burnley and Pendle's answer to The X Factor.

Star Maker is a brand new singing competition following the same format as Simon Cowell's ITV show. Hundreds of budding Alexandra Burkes and Matt Cardles have started to battle it out to make the bootcamp round.

Just like The X Factor, there will be different age categories, a boot camp, live shows and a grand final. There will be five live shows – every Friday from June 8 to July 6 at The ACE Centre and the live final is at The Muni, Colne, on July 20.

Live show tickets cost £5 from The Muni Theatre's Box Office on 01282 661234 or The ACE Centre on 01282 661080.

TALENT: Above, Pendle Vale student Breeze Bowker enjoys her audition; above left, Libby Dempsey, 12, takes the stage; left, the judges, Shelly Douglas, Lana Whitehall-Pain and Jessica Ellerton.

Create a royal ice cream

A pub is inviting schoolchildren to help create a unique ice cream for the Queen's Diamond Jubilee.

The Sparrowhawk, at Fence, has asked youngsters from Wheatley Lane Primary School and Barrowford School to come up with a new flavour to celebrate the milestone.

And as the Wheatley Lane Road pub restaurant churns all its ice cream from scratch, the possibilities are endless.

Manager Neil Morley hopes the flavours dreamt up by the pupils will be weird and wacky with a royal twist.

He said: "We can make any flavour you can think of so we want the kids to have some fun and get their thinking caps on. Whether it is Earl Grey tea flavour, cucumber sandwich flavour or Victoria sponge and cream flavour, we will choose the best and then get churning it."

Retail queen to take on 70 empty stores

One of the biggest challenges facing high street guru Mary Portas as she looks to revive Nelson is reducing the number of empty shops.

Pendle Council has revealed that 70 shops in the town centre are standing empty, compared to just 30 in neighbouring Colne.

The council has already allocated around £60,000 from the Government's High Street Innovation Fund to tackle the problem. It could be used to lower business rates for firms taking on empty shops.

Pendle Council town centres officer Hanna Latty said: "The Government would like local authorities to focus the funding on delivering projects which both align and go beyond the Portas Review to promote new models of high streets that do not simply rely on retail; they offer something new and different that neither shopping centres nor the internet can match.

"The Government wants to encourage local authorities to take a lead in driving their local economy and to use tools open to them, such as the new powers to offer business rate discounts for new start-up businesses taking on empty properties."

On Saturday it was announced Nelson was one of 12 Portas Pilot towns which would get help from the shopping expert. More than 300 towns applied. Pendle MP Andrew Stephenson said he was delighted by the news.

He said: "I spoke with the minister about the bid and could tell that as someone who has visited Nelson previously he recognised how much the area needed a boost like this. I hope Mary Portas will visit Nelson soon."

Special MP's surgery

Burnley MP Gordon Birtwistle is to host a special surgery for small and medium sized businesses in the town.

The event is also open to start-ups or people thinking about starting their own business who would like advice on finances.

The Better Business Finance (BBF) initiative, backed by the MP, aims to help SMEs thrive by giving them support and improving access to finance.

Four-letter words

Football management is the world we venture into this week. How many four letter words can you make from

JOSEP GUARDIOLA

the former Barcelona boss who has declared his intention to take a few weeks off before heading back into management – possibly in the Premier League. Each letter may be used once only in each word – NOT admissible are abbreviations; prefixes; proper names; poetic short forms; plurals and verb forms ending in 's', slang terms or words to make granny blush. The target is 26 words.

This is the month that you start to find out what you are good at in life. You're no longer treading water but you're starting to find out what it is that you excel at, and more importantly, what you enjoy. Do your sums before Thursday though, or you could end up out of pocket and out of pride. Ring me now to hear why you may soon need to brush up on your foreign languages.

Call: 0906 585 4518

Cancer — June 22nd-July 23rd

Your time seems to be spent worrying about a family member or someone who cannot take care of themselves as well as they used to. Support them and help them but just try to set a time limit that you're willing to stand by, as it's clear from your stars that you have your own life and plans to put your time and energy into. Ring now to hear which signs can, and should help you.

Call: 0906 585 4519

Leo — July 24th-August 23rd

Balance has been lacking in your life recently and it's what is needed if you are to get the most from this very dramatic month. You've been believing too much of the advice that others have given you. They've not had any experience in what you want to do. New flirtations link to the workplace. Call me now to hear why, for once, I support mixing business and pleasure.

Call: 0906 585 4520

Virgo — August 24th-September 23rd

Pay extra special attention to the way that you look this week Virgo. You see, you may not realise it but you have already attracted much attention and this is the week which can let those who like all you've said and done into your life, and perhaps your heart. Give me a call now to hear which sign is not the ally in business or love that they first seemed.

Call: 0906 585 4521

Libra — September 24th-October 23rd

The planets are behind you to take chances. The only problem Libra is that you're not sure which path is the right one for you. Take my advice and stick to your original game-plan. It has all the makings of success. A clash of personalities this weekend could see you saying something you regret to someone who knows exactly how to rile you. Phone me now to find out about tomorrow today.

Call: 0906 585 4522

Scorpio — October 24th-November 22nd

New offers and propositions are coming your way and with such speed that you may find it hard to tell the good from the bad. Slow your pace and take in the view. You may not realise it yet, but time is on your side and it's you who can make the final decision, not others. A family drama reaches a pleasing solution thanks to the interference of an older face. Phone me now so I can talk to you.

Call: 0906 585 4523

Sagittarius — November 23rd-December 21st

You must not allow yourself to be emotionally manipulated by your close ones Sagittarius. The Sun in Gemini is giving you the social skills to be able to put yourself in, or take yourself out of any situation in which you find yourself. Don't tell tales on Sunday. It can come back on you tenfold if you do. Phone me now to hear which sign can keep that secret you've got to tell.

Call: 0906 585 4524

Capricorn — December 22nd-January 20th

Education and teaching all come to the fore for you this week. You're starting to see what is possible rather than what you can't do. Gone is the depressive air which made for such an emotional end to May and in its place is a new, more confident Capricorn. The world is your oyster. Enjoy my friend. Give me a call now to better understand that older face you're dealing with.

Call: 0906 585 4525

Aquarius — January 21st-February 19th

Upheaval which occurs in the family is going to be making it hard for you to have any time you can call your own. Your friendship circle is widening and is pulling on your coat tails to have fun. Can you reach a happy compromise and please your family and yourself? If you explain your needs on Thursday, then yes Aquarius. Ring me now for some tactics on dealing with difficult close ones.

Call: 0906 585 4526

Pisces — February 20th-March 20th

You've been thinking of making changes. Now the time has come when you can actually make them. You feel as if you have been frozen to the spot. Well, you haven't Pisces. Come on, my friend. Get up dust yourself off and focus on what you want. Anything is possible with the current line up. Phone me now to hear how Neptune promises you an important message in your dreams.

*Prices correct at time of going to press. Images for illustration purposes *Eligible applicants will be offered an equity loan of up to a maximum of 20% of the purchase price [based on the open market value] for a maximum term of 25 years. Applicants are required to fund at least 80% of the purchase price by means of a conventional mortgage, savings and any deposit where required. For the first 5 years there is no charge on the equity loan component. If you have not repaid the equity loan after 5 years you will be required to pay a fee of 1.75% (£25.96 per month) of the equity loan rising annually by the increase in the Retail Price index plus 1%. This is in addition to the weekly payment quoted. The equity loan is provided by the HCA and Gleeson Homes jointly and is held as a second charge. The repayment sum will reflect the 20% of the market value when the property is sold. Applicants will be required to use a mortgage broker from Gleeson Homes panel who will act solely for the applicant. The Example assumes a purchase price of £88995 with Gleeson Homes offering their "First Buy" shared equity arrangement of 20% [£17999] and a personal deposit of 5% being your share [£4451] therefore the basic mortgage debt of £66745. The rate is fixed at 4.39% fixed until 31/08/2014. After the fixed rate period the mortgage will revert to the lenders standard base lending rate (currently 3.99%). There is an early repayment charge on the mortgage of up to £2017.32 until 31/08/2014. This charge is payable if all of the debt is repaid. A proportionate charge is payable for partial repayment. You are free to move the mortgage to another lender after the fixed rate term has ended. The APR for this mortgage scheme is 4.3% and the total amount payable of the 25 year term will be £107732.49. This means that every £1 borrowed will cost £1.60 to repay. The fees involved in the mortgage are a Mortgage Account Fee of £245.00 which will be paid over the mortgage term. There is a Valuation Fee of £280 which will have to be paid on application. The monthly mortgage payment currently would be £369.58 fixed until 31/08/2014. The quoted income figures are based on a joint basic income of £19000, where the clients have no outstanding financial commitments whatsoever and have no financial dependants. The mortgage is subject to status and credit scoring by the lender, the example does not represent any form of mortgage offer and does not oblige the lender to provide a mortgage even if the above criteria is met. The Equity loan share is subject to approval and eligibility by the Home Buy Agent and does not oblige the Home Buy Agent to approve funding even if the above criteria is met. Not all mortgages are regulated by the Financial Services Authority. YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE. Written illustrations are available upon request.
